Cite or silence — answers from your files, or quiet

Get started

- 1

Go to meethint.ai → **Sign in with Google**. Use the account you will keep for this test.
- 2

No invite code needed — your account is created when you sign up.
- 3

Confirm home shows *Get ready for your first meeting*.
- 4

Reply to us with the **Google email** you used.

Before testing: Load *your own* repo, folder, PDF, or Office files — not **Demo pack (sample only)**. Write 3–5 questions your docs *can* answer and 2–3 they *cannot*. Best setup: Chrome or Edge on desktop · mic + meeting tab audio.
